INSTAGRAM-WORTHY PHOTO SPOTS

THE COLONY

One of my favorite photo spots in Palm Beach. Whether it's the outside facade, the interior with their palm printed wallpaper and carpet, or out at the pool, you're sure to get a great shot! Also take advantage if you're staying there, because no two rooms are exactly the same and each has different color schemes and decor.

THE ESPLANADE

This is a small outdoor "mall" located behind The Colony, on Worth Avenue by the beach. They have added so many fun pieces to this area, making it a great spot for pictures. My personal favorite is the "I Heart PB" wall hanging.

THE BREAKERS

The Breakers is truly breathtaking and makes you feel totally immersed in the Palm Beach culture. Make sure you stop by their courtyard in the middle of the hotel, right outside of the lobby.

PAN'S GARDEN

This little garden is located on Hibiscus Avenue, about a block away from the Tiffany's on Worth Avenue. A great spot to enjoy morning coffee, snap a few pics, and even use the bathroom if you need one.

WORTH AVENUE

Be sure to adventure into the different vias because you never know what fun spots you may find. There are tons of hidden gardens, fountains, and great architecture. The Lilly store on Worth is another great spot for photos. They have tons of fun seating and art to feature.
